REQUEST FOR CORRECTION OF INVENTORSHIP UNDER 37 CFR 1.48(b)

Honorable Commissioner for Patents  
U.S. Patent and Trademark Office  
Randolph Building, Mail Stop Petition  
401 Dulany Street  
Alexandria, VA 22314

Sir:

Applicant's amendment of December 26, 2006, limited the claims in this case to claims 1-12, which the examiner had designated to be in Group I, and claims 41-51, which the examiner had designated to be in Group V. All of the claims to the remaining groups of inventions designated by the examiner were deleted.

The present application was originally filed naming five inventors. Due to the amendment of claims, the sole inventor of the elected claims 41-51, as well as remaining claims 1-12, is Tamar Tennenbaum. Accordingly, it is requested that the following inventors be deleted from the present application: Sanford Sampson, Toshio Kuroki, Addy Alt,

In re of Appln. No. 10/644,775

and Shlomzion Shen. Applicant hereby acknowledges that the inventions to which these four deleted inventors had contributed are no longer being claimed in the application.

The fee required under 37 C.F.R. 1.17(i) is being submitted herewith.

Accordingly, deletion from the inventorship of the present application of Sanford Sampson, Toshio Kuroki, Addy Alt, and Shlomzion Shen, leaving only Tamar Tennenbaum as the sole inventor, is earnestly solicited.

Respectfully submitted,
